A variety of great quality hand tools

**Rakes:** We have hayrakes and grass rakes, both of which we use for bed preparation

**Scythes:** We sell a range of scythes and scythe equipment

**Bronze tools:** We have a whole range of tools, large and small, made by PKS in Austria. Bronze has the advantage that it does not rust, or break. It's beneficial for the soil and is a pleasure to use.

**Russian innovative tools. {Ploskorez}** This is a range of simple tools designed by a gardener for ease of use.

**Speedy Sharp** A fabulous little tool for sharpening everything....\$20

**We are in discussion with manufacturers and suppliers sourcing**

**Grelinettes (Jo bought one in France in 1987!)**

**Quality Rakes**

**2 wheel tractors**

**Soil Blockers**

Please let us know what you need and we will endeavour to find it and supply at a reasonable price.
